FLORENCE H. DAVIS  
TREASURER

Since 2008, the William and Hannah McClain Foundation, under the direction of Mrs. Katie McClain Weber, has awarded forty-two academic scholarships in higher education to deserving young men and women. The Foundation has received accolades from First Lady Michelle Obama, the 9<sup>th</sup> Congressional District of Texas, and social and civic organizations. Additionally, since 2011, the annual WHMF Fashion Show benefit has honored disabled veterans.

Here's how successful the WHMF has been in helping deserving students achieve his/her academic dream...

*"As a former recipient, I am pleased to say the William and Hannah McClain Scholarship has helped me achieve my academic goals. This scholarship gave me the motivation I needed not only to obtain my Bachelor's degree, but to push further to work towards a Master's degree. I am very thankful for the opportunity that was provided to me by the William and Hannah McClain Scholarship for helping me achieve a successful career." – Carolyn McFarland*

Would you please decide today to help a deserving student?

Yes! I can give back by contributing to the WHMF. I am sure that my support will help a student achieve his/her dream. Hopefully, he/she will PASS IT ON!
